LOBSTER BAKE CORPORATE PACKAGES

Join us for a casual ocean front lobster bake at the Harbor View on Peak's Island. For groups of 25-60 guests, your group will have a private tented deck area for cocktails and dining overlooking beautiful Casco Bay. The charming interior space is a common area with beautiful granite bar, indoor seating and restrooms. Groups over 60 guests will have exclusive use of the entire facility. To make this outing more affordable, there is a set menu as well as casual glass top tables for dining and Chinette dinner and dessert plates. The facility will be available for your event for four hours maximum, and rates are for Monday through Thursday only. Please inquire about private dining for groups of any size as well as our Chef-customized menus, weekend events, and other amenities that may be preferred. We specialize in full custom event planning, and can help you to plan any type of summer celebration.

Full bar service is available, as well as ice tea, lemonade and soft drinks with a cash or hosted bar service available. We will be happy to discuss any and all of your beverage needs.
